

CRANBROOK CRANNECTIONS

One Cranbrook | Sustaining Relationships

It's a Wrap! Crannections 2018!

We held the 2nd annual Crannections event on September 17, 2018. We could not have picked a more beautiful day!! This year, our goal was to invite all employees and key volunteers to engage, connect (face to face) with internal and program support departments (**CranPals**). Here are some pictures highlighting our event, survey results and prize winners. We look forward to next year's Crannections Event! Many thanks to all those who participated and engaged.

Best,

Norma Jean Evans

Director of Sustainability &
